

# Sujal Lakhani

## Jr. Software Engineer

Passionate Software Engineer with over 1.5 years of experience in building dynamic web applications using Angular, Node and TypeScript. Skilled in debugging and passionate about problem-solving, I have successfully tackled over 200 challenges on LeetCode and earned a 3-star rating on CodeChef. Eager to learn new technologies, I focus on optimizing features, achieving up to an 80% reduction in code complexity while enhancing performance.
